0:00:00	Cecilia Tapia speaking to audience Blue background LOWER THIRD Cecilia Tapia U.S. EPA Region 7 Super Fund Division Director	Hi, I'm Cecilia Tapia, with the U.S. Environmental Protection Agency. My colleagues and I are responsible for EPA's Superfund work at the West Lake Landfill Site in Bridgeton, Missouri.
	GRAPHIC Meeting Time: 6:30pm Location: Pattonville High School 2497 Creve Coeur Road Maryland Heights, Missouri	Please join me to hear EPA's latest information about West Lake at a public meeting on Tuesday night, June 25th, at Pattonville High School in Maryland Heights, Missouri.
	GRAPHIC Meeting Time: 6:30pm Location: Pattonville High School 2497 Creve Coeur Road Maryland Heights, Missouri	At the meeting we will discuss radiation, groundwater sampling, health concerns and other issues related to West Lake. We'll also explain how EPA is working with the State of Missouri to keep the smouldering at the Bridgeton Landfill from reaching contaminated areas.
0:54:00	GRAPHIC www.epa.gov/region7	For more information about this meeting, and about EPA's work at the West Lake Landfill Site, visit our website at epa.gov/region7 Thanks for your time. We look forward to seeing you on June 25 th , and answering your questions.
